

## Foundation Happenings

On January 25th the Lids Foundation teamed up with NBA Point Guard, Monte Morris, to host kids and their families from A Kid Again at one of our Michigan Lids Locker Room Stores.

The night was filled with lots of excitement and smiles as the children received gift cards so they could pick out their favorite gear and received autographed basket balls and other memorabilia from Monte. It was definitely a night of many happy memories made.

A Kid Again offers free local events and activities called Adventures for families who have a child facing a life-threatening condition. We handle all expenses and details, so you can simply enjoy quality time with your loved ones.

On Super Bowl Week the Lids Foundation teamed up with Fanatics and Make A Wish Foundation to host an amazing crew of 20 wish kids and their families. They created friendships and memories that will last forever. From meeting some of the game's biggest stars to making their own personalized jerseys, they were all geared up and ready to go for the SBLVIII!
